Pearson eTextbook is an easy-to-use digital textbook available from Pearson+. Make it your own by adding notes and highlights. Download the Pearson+ mobile app to learn on the go, even offline. Listen on the go with our new audiobook feature, available for most titles.

When you choose a plan, you're signing up for a 4-month 'term'. We will charge your payment method each month until your 4-month term has ended. You can turn on auto-renew in **My account** at any time to continue your subscription before your 4-month term has ended.

When you purchase a Pearson+ subscription, it will last 4 months. Before your initial 4-month term ends, you can extend your subscription by turning auto-renew on in **My account**. If you turn auto-renew on, we'll automatically renew your subscription and charge you every month until you turn off auto-renew. To avoid the next payment charge, make sure you turn auto renewal off 1 day before the auto renewal date. You can subscribe again after auto-renew has been turned off by purchasing another Pearson+ subscription. We use your credit card to renew your subscription automatically. To make sure your learning is uninterrupted, please check your card details before your first monthly payment.

With a Multi Pearson+ subscription plan, you can download up to 5 titles on the Pearson+ app from My list on each of your authorized devices every month. When you're using your Multi Pearson+ subscription plan in a browser, you can select and read from as many titles as you like.

About This Product

Introduce your students to today's legal principles using an engaging text they will enjoy. Recognized for its reader-friendly presentation and packed with current examples and compelling stories, Beatty/Samuelson/Abril's LEGAL ENVIRONMENT, 8E is applauded by judges, attorneys, business people, professors and students. Using a conversational writing style, the authors explain even the most complex legal topics in language students understand. With more than 75 years of combined teaching experience, these respected authors and prolific scholars address questions they know students will ask while also anticipating emerging legal trends and issues. Because the authors practiced law before teaching, they can discuss theory, such as executive compensation, in depth and compare it with everyday realities in business today. Updates emphasize new information on privacy, intellectual property and ethics using memorable examples. In addition, MindTap gives your students structured online learning activities to apply their knowledge and legal reasoning skills to real-world business situations.
